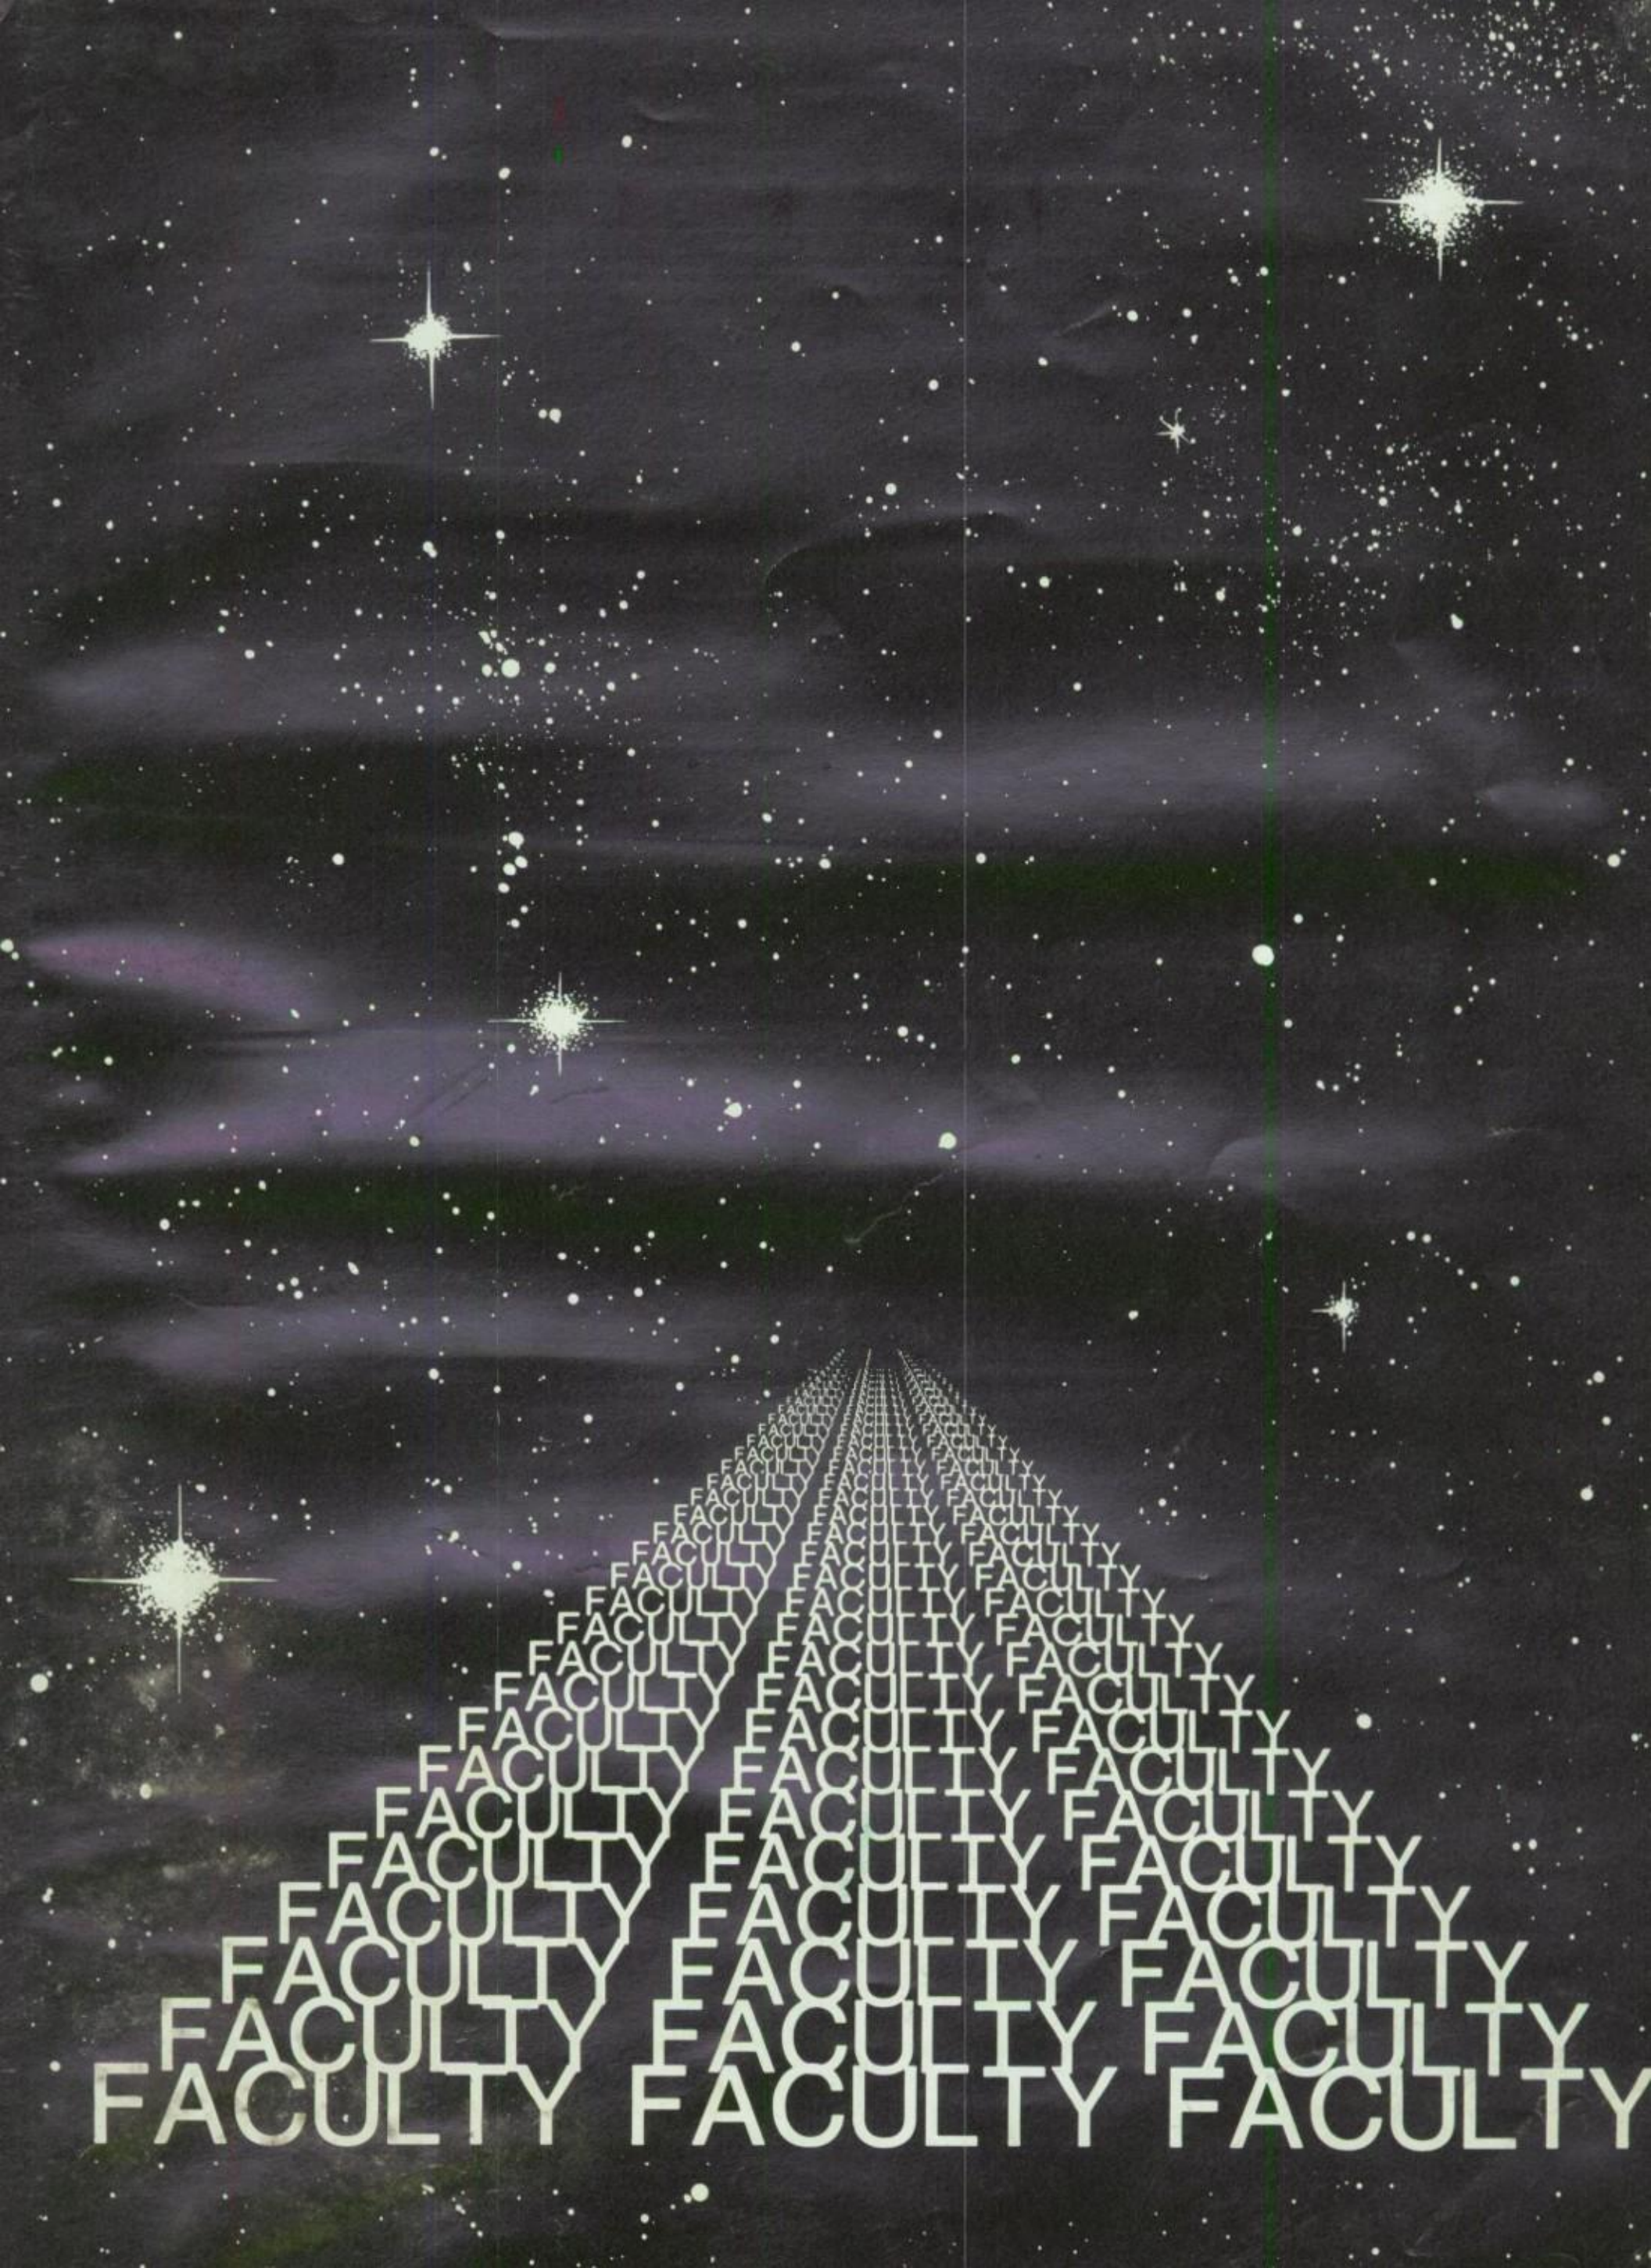
DEDICATION

We the Senior Class of 1986 dedicate this annual to the alumni, parents, and friends who have donated their talent, time, money, and moral support toward the growth and the upkeep of Palmersville School. We want to extend our appreciation and wish for each and every one of you and your children many more happy years at P-Ville School.

Senior Class of 86'



FACULTY

"CLASS OF 86" "MR. M"

The halls are very silent
Now,
Cause this year has to
End,
And the "Class of 86"
Will never walk them
Again.

If only the halls could
Talk,
I wonder what they would
Tell,
Of the many advantages
And secrets,
This class has kept so
Well.
The laughs of each
Student,
As they hurried to their
Room,
Knowing that graduation
Would come and hoped it
Would be real soon.

Winning of the ballgames,
Trips on the bus,
Just try to think of the
Good times and remember
All of us.
You have a special
Teacher and you have a
Special friend,
And as you go through this
Life,
You'll look back and
"Remember When"

Have a goal and reach it,
The limit is the sky,
And remember, always
Remember your years at
P'Ville High.

There is a man among us,
That we know so well,
He's taught us lots of
Courage,
And was always there to
Help.

You see when we were
Little,
He'd tell us what to
Do,
And we would always wish,
That we were out of
School.

But now that we've grown
Up,
We want to tell you more,
That this man is always
Waiting just behind his
Door.
He helps with our
Problems,
He listens and he cares,
About all of our ballgames
And even the P'Ville Fair.

So Mr. M please listen,
And hear what we have to
Say,
That we the "Class of 86"
Will remember you each day.

by
Betty Sides

We sincerely wish for each of you the best life has to offer.

Sincerely,

Ron Gifford

EDITORS' NOTE:

We hope that everyone here at P.H.S. gets as much out of the '86' Echo as we put into it (which was a considerable amount). Good luck to next years editors!

We would like to thank all the people that made this annual possible and a very special thanks to: Mr. and Mrs. Doran for their gracious hospitality in allowing us to use their home for pictures, Mr. and Mrs. Matlock for their cooperation with the photography, Mr. Gifford for the help in working on the annual and all the teachers and parents for their understanding and guidence without which we wouldn't have made it.

We hope that in the years to come everyone can look at the '86' Echo and remember these great years at P.H.S. We anticipate many more.

Tabby,

What's up since the last time we saw you. I hope you know that this year hasn't been the same without you. I hope you are really enjoying married life because you deserve the best. I hope you will never forget all the times we've had because I never will, just forget the bad ones, OK. I hope that husband & baby of yours will bring you a bunch of happiness, because you all are very special. I will come & visit after graduation if only you ASSHOLES would stay in one place for more than a month. I guess I had better go now, term papers you know. Stay in touch.

Love Always,
Angela

Tabby:

So one of my very best friends & I guess we're close enough to call each other, sisters. We really do miss you around here, it's just to quiet around here & also boring. I'll take that back, we've had some fun around here, but not as much as we would have had with you here. Remember all the good times we've had together. I wish you & Doug & Brian all the luck in the world because you deserve it. I to might come to see you if you stayed in one place & I knew where you lived. Well, good luck & best wishes.

Love ya
All,
Rhonda

P.S. call me sometime PLEASE!

Tabby-

I hope you know we really miss you, but I hope that your really happy cause that's all that matters. You've really got a beautiful baby there just try and keep him out of trouble (that him that means not taking lessons from you!) Ha! Ha! I hope you have all the happiness in the world cause you deserve the best that life can bring.

Love ya,
Angie
